abhinav kumar

PROFILE

Myself Abhinav kumar from a small town baraut situated in Uttar Pradesh. I born and brought up there and currently pursuing my degree at Vellore, Tamil Nadu.

ABOUT ME

UNDERGRADUATE STUDENT, IT BRANCH , VIT — 2021--PRESENT

I am a undergraduated student at VIT,vellore and i am pursuing my B.Tech in Information Technology branch. I have no previous experience for any project moreover i created some of the web pages as i love Web-Developement most. I am a good team leader and worker, i can easily cope with colleages. I became more dedicated to my work when you will offer some food with my work. Hopefully nice to see you in real.
